

CURRICULUM VITAE

Shannon T. Mejía, Ph.D.

Department of Kinesiology and Community Health
University of Illinois at Urbana-Champaign
3007B Huff Hall. 1206 S Fourth Street. Champaign, IL 61820

Phone: 217.300.3088 ☉ Email: stmejia@illinois.edu ☉ adapt.kch.illinois.edu

EDUCATION

College of Public Health and Human Sciences, Oregon State University, Corvallis, OR
Ph.D. Human Development and Family Studies, *April 2014*
Minors: Aging Sciences, *Gerontechnology*; Quantitative Methodologies in the Study of Aging
M.S. Human Development and Family Studies, *December 2011*
University of Puget Sound, Tacoma, WA
B.A. Comparative Sociology. Minor: Studio Art

RESEARCH and PROFESSIONAL EXPERIENCE

Assistant Professor Department of Kinesiology and Community Health, <i>University of Illinois at Urbana-Champaign</i>	August 2017 - present
Postdoctoral Research Fellow Psychosocial Aging Group and Biosocial Methods Collaborative <i>Institute for Social Research, University of Michigan</i>	2014 – 2017
Director, Culture and Implementation <i>Elite Care Technologies</i>	2006 – 2008
Der Brüsseler Kreis <i>Summer Practicum/Technology Ambassador</i>	Summer 2006
Co-Founder <i>Methods of Developing Empowerment (MODE) Project, 501c3</i> Community house for single mothers and their children,	2004 – 2006
Director, Systems Development <i>Elite Care, Residential Care Communities</i>	2002 – 2006

RESEARCH and TEACHING INTERESTS

Life course and life-span perspectives on the development and application of technology to support older adults and their families in aging successfully. Analysis of dyadic data, intensive repeated measures, longitudinal data, and biological measures of health and aging.

PUBLICATIONS

INVITED PRESENTATIONS (*refereed):

- ***Mejía, S.T.**, Su, T-T., Washington, F-C. Subjective Experiences of Aging and Physical Activity in the Years That Precede and Follow a Fall. In H. Giasson, R. Koffler (chairs) & J. Smith (discussant), *Self-perceptions of Aging in the Context of Challenging Experiences: Patterns of Risk and Resilience*. Symposium conducted at the 2022 Annual Scientific Meeting of the Gerontological Society of America, Indianapolis, IN.

- ***Mejía, S.T.** & Hooker, K. Self-Perceptions of Aging, Support from Close Social Ties, and Health Goal Progress in Everyday Life. In A. Shrira, Y. Bergman (chairs) & A. Kornadt's (discussant), "*Count Your Age By Friends, Not By Years*": *An Interpersonal Perspective on Subjective Views of Aging*. Symposium conducted at the 2022 Annual Scientific Meeting of the Gerontological Society of America, Indianapolis, IN.
- *Hong, S. & **Mejía, S.T.** Social Resources and Stratified Experiences of ICT Use and Loneliness During the COVID-19 Pandemic. In J. Francis (chair), *Diverse Contexts, Unique Experiences: Impact of Social Isolation on Psychosocial Factors and Cognition*. Symposium conducted at the 2022 Annual Scientific Meeting of the Gerontological Society of America, Indianapolis, IN.
- *Su, T. & **Mejía, S.T.** Using Assistive Technologies as a Measure to Support Well-Being in Late-Life Disabilities. In K. Munly (chair), *Engaging Method and Analysis to Discover and Reimagine Possibilities for Individuals Aging With and Into Disability*. Symposium conducted at the 2022 Annual Scientific Meeting of the Gerontological Society of America, Indianapolis, IN.
- ***Mejía, S.T.**, Su, T., Griffin, A., Washington, F., Fanning, J., Sosnoff, J. (November, 2021). Awareness of Balance as the Intraindividual Dynamic of Objective and Subjective Experience of Fall Risk in Daily Life. In A. Kornadt, H. Werner-Wahl (Chairs) & S. Wurm (Discussant), *New Developments in Views on Aging Research: Variability, Innovative Concepts, and Contextual Perspectives*. Symposium to be conducted at the 2021 Annual Scientific Meeting of the Gerontological Society of America, Phoenix, AZ.
- ***Mejía, S.T.**, Giasson, H., Smith, J., Gonzalez, R. (November, 2020). Concurrent and Enduring Alignment of Married Partners' Shared Beliefs and Markers of Aging. In E. Cohn-Schwartz (chair) symposium on *Social Contexts of Subjective Aging Perceptions*. Symposium conducted virtually at the 2020 Annual Scientific Meeting of the Gerontological Society of America.
- ***Mejía, S.T.** & Ogolsky, B. (November, 2019). Temporal patterns of older adult couples' spatial proximity and concordance in health and well-being. In K. Fingerma (Chair), *Older Families in Daily Life*. Invited speaker symposium conducted at the National Council on Family Relations. Fort Worth, TX.
- ***Mejía, S.T.**, Gonzalez, R., & Smith, J. (November, 2018). Couples' cumulative risk. In Y. Kim, K. Kim (Chairs) & M.E. Lachman (Discussant), *Cross-cultural discussion on preparing for aging in midlife*. Symposium conducted at the 2018 Annual Scientific Meeting of the Gerontological Society of America, Boston, MA.
- ***Mejía, S.T.** & Hooker, K. (November, 2017). Daily health goal pursuit: Does network composition matter? In J.L. Graham (Chair), *Daily experiences in older adulthood*. Symposium conducted at the 2017 National Council on Family Relations annual conference, Orlando, FL.
- ***Mejía, S.T.** & Gonzalez, R. (July, 2017). Couples' shared beliefs. In E. Tan (chair) & J. Stevens (discussant), *Evidence for the need to disrupt aging: Impact of perceptions of aging and aging stereotypes*. Symposium conducted at the 21st Quadrennial International Association for Gerontology and Geriatrics World Congress, San Francisco, CA.

- ***Mejía, S.T.**, Giasson, H., Smith, J., Gonzalez, R. (November, 2016). Couples' shared experiences of aging: perceptions, challenges, and vulnerabilities. In K. Rothermund (Chair), *It's all in your head": Effects of age-related beliefs on development in old age*. Symposium conducted at the 69th Annual Scientific Meetings of the Gerontological Society of America, New Orleans, LA.
- Mejía, S.T.** (January, 2016). Older adults' health and well-being in the context of shared experiences and daily life. Invited lecture at the Interdisciplinary Center for Network Science and Application, University of Notre Dame, South Bend, IN.
- ***Mejía, S.T.**, Choun, S., Pham, T., Metoyer, R., Hooker, K. (2014). Daily affect and goal appraisal processes: Hits and surprising misses with the Big 5 personality traits. In J. Wagner, D. Gerstorf (chairs) & J. Heckhausen (discussant), *Personality development in old age: Potentials and challenges*. Symposium conducted at the 67th Annual Scientific Meetings of the Gerontological Society of America, Washington, DC.
- ***Mejía, S.T.**, Odden, M., & Hooker, K. (November, 2014). A social approach to end of life care is associated with fewer hospital days in the final months of life. In A.L. Byers (chair) & D.K. Miller (discussant), *Epidemiology of frailty, disease burden, and late-life care: Insights for health care and policy*. Symposium conducted at the 67th Annual Scientific Meetings of the Gerontological Society of America, Washington, DC.
- Mejía, S.T.** (December, 2013). Social self-regulation: Activating interpersonal resources in response to proximal and social distal forces. Invited lecture at the Institute of Psychogerontology, Friedrich-Alexander-University Erlangen-Nuremberg, Germany
- ***Mejía S.T.**, & Hooker, K. (November, 2013). Engaging and disengaging close social partners to regulate emotions over 100-days. In Chui, H. & Luszcz (Chairs), *Longitudinal studies of socio-emotional wellbeing: Short-term variability and long-term changes*. Symposium conducted at the 66th annual scientific meetings of the Gerontological Society of America, New Orleans, CA.
- *Hooker K., & **Mejía, S.T.**, (November, 2013) Examining goal regulation in the health and social domains through the lens of daily variability. In Brose, A., Ram, N., & Riediger, M. (Chairs), *Integrating short-term and long-term change in affect, stress, health, and social processes*. Symposium conducted at the 66th Annual scientific meetings of the Gerontological Society of America, New Orleans, LA.
- Mejía, S.T.** (June, 2012). Social Partners, social processes, and social interdependence across the lifespan. Invited lecture at the Institute of Psychogerontology, Friedrich-Alexander-University Erlangen-Nuremberg, Germany
- Choun, S., **Mejía, S.T.**, Pham T., Metoyer, R., & Hooker, K. (November, 2012). Dynamic linkages of personality and health. In A. Sherman (chair) & J. Smith (discussant), *Successful aging: Patterns of health and personal resources*. Symposium conducted at the 65th Annual Scientific Meetings of the Gerontological Society of America, San Diego, CA.
- Lundberg, S.T.** (May, 2008). The silvertch frontier: Connectivity and mobility for the older consumer. Panel presentation at the UCLA Technology and Aging Conference: Successful Aging in a High-Tech World, Los Angeles, CA.
- Lundberg, S.T.** (April, 2008). Enhancing community-based care through technology. Presented at the Oregon State University Gerontology Conference, Corvallis, OR.

- Lundberg, L. & **Lundberg, S.T.** (January, 2008). Applying an integrated communication system to enhance community-based care. Technology demonstration before the US Senate Special Committee on Aging, Washington, DC.
- Lundberg, S.T.** (July, 2007). The international experience: Applying technology to support the human side of long-term care. Keynote presentation at the Information Technology in Aged Care Conference, Melbourne, Australia.
- Lundberg, S.T.** (May, 2007). Elite Care's extended family residences: Utilizing an integrated technology system to enhance community-based care. Invited presentation at the On Lok Sustainable Long-term Care Conference, San Francisco, CA.
- Lundberg, S.T.** (November, 2006). The effect of a home environment on operations in community-based care. Presented at the American Association of Housing and Services for the Aged annual convention, San Francisco, CA.
- Lundberg, S.T.** (July, 2006) *Leben und Betreuung* (Living and Assistance: presented in German). Presented to the Fraunhofer Institute, Duisburg, Germany.
- Reed, B., Lundberg, L., **Lundberg, S.T.**, & Wolske, N. (December, 2005). Applying technology to benefit residents, staff and family at Elite Care: The future of elder care. In the Center for Aging Services Technologies, American Association of Homes and Services for the Aging, and the US department of Transportation (sponsors), *Technology for Successful Aging*. Technology demonstration at the White House Conference on Aging Exhibit Hall, Washington, DC.

Invited presentations at the University of Illinois

- Mejía, S.T.**, Su, T.T., Griffin, A., Hsieh, K., Sosnoff, J. (October, 2019). Older adults' variability and awareness of fall risk in daily life. Presented at the Sixth Health Care Engineering Systems Symposium.
- Mejía, S.T.** (October, 2018). Disability from a people perspective. Panel presentation at CHADs Dialogue in Disability.
- Mejía, S.T.** (October, 2017). Older adults' use of visualizations of their behavioral data: The quality of daily experiences matter. Presented in the session on Health and Medicine Data Analytics at Data Science Day.
- Mejía, S.T.** (December, 2017) Healthy aging in a digital world: Can engaging with our data help us age well? Presented to the Cognition, Lifespan Engagement, Aging, and Resilience (CLEAR) brownbag series at the Beckman Institute.

Refereed Symposia

- Mejía, S.T.** & Werner-Wahl, H. (November, 2021). Technology to Support Self-regulation: Insights from Design to Implementation. Symposium to be conducted at the 2021 Annual Scientific Meeting of the Gerontological Society of America, Phoenix, AZ.
- Mejía, S.T.** & Czaja, S. (November, 2019). Older adults' social relationships and well-being in a digital world. Symposium conducted at the 2019 Annual Scientific Meeting of the Gerontological Society of America. Austin, TX.

- Mejía, S.T.**, Drewelies, J., & Berg, C. (November, 2019). Integration of objective and subjective experiences of health in old age. Symposium conducted at the 2019 Annual Scientific Meeting of the Gerontological Society of America, Austin, TX.
- Chaudhry, B., **Mejía, S.T.**, & Jung, H. (November, 2016) Social media for older adults. Half-day workshop conducted at the 8th International Conference on Social Informatics, Seattle, WA.
- Mejía, S.T.**, Drewelies, J., & Ram, N. (November, 2016) Toward Conceptual and Methodological Integration of Bio-Psycho-Social Processes and their Timescales. Symposium conducted at the 69th Annual Scientific Meetings of the Gerontological Society of America, New Orleans, LA. Chair.
- Mejía, S.T.** & Pudrovska, T. (2015). Integrating Biomeasures into the Study of Relationship Development: Biosocial Perspectives on Couple's Shared Experiences Across the Life-span. Symposium conducted at the Society for the Study of Human Development's 9th Bi-Annual Scientific Meeting, Austin, TX.
- Mejía, S.T.**, Chui, H., & Ram, N. (2014). Navigating the Complexity of Daily Life: The Interplay of Emotional, Health, Interpersonal, and Cognitive Processes. Symposium conducted at the 67th Annual Scientific Meetings of the Gerontological Society of America, Washington, DC.
- Mejía, S.T.**, Davidson, J., Lien, L., Nath, R., Thomas, N., Rakshit, K., Allen, P. (November, 2013). A theoretical model to integrate circadian and emotional processes of aging. In Hooker, K., (Chair), Charles, S.T., & Higgins, P.A. (discussant), *Uniting Age-related Changes in the Emotion and Circadian Systems*. Symposium conducted at the 66th Annual Scientific Meetings of the Gerontological Society of America, New Orleans, LA. Symposium organizer.
- Mejía, S.T.**, Chui, H., & Diehl, M. (2012). Social self-regulation: Managing social experiences and emotional well-being in older adulthood. Symposium conducted at the 65th Annual Scientific Meetings of the Gerontological Society of America, San Diego, CA.
- Mejía, S.T.** & Hooker, K. (2011). *The digital frontier of aging research: Emerging methods in microlongitudinal studies*. Symposium conducted at the 64th Annual Scientific Meetings of the Gerontological Society of America, Boston, MA.
- Lundberg, S.T.** (2007). Cultivating a community of support for elders: How the distribution of information can strengthen a person-centered model of care. Workshop conducted at the Oregon Health Care Association Annual Convention. Portland, OR. Chair.

TEACHING

CHLH 100: Contemporary Health

CHLH 575: Chronic Disease Prevention.

CHLH 577: Program Evaluation.

CHLH 494: Health Behavior and Health Technologies

HONORS and AWARDS

2017 RAND Summer Institute on Aging, selected attendee and fellow.

2016 NIH/OBSSR Matilda White Riley Early Stage Investigator Honors winning article: *Responses to financial loss during the Great Recession: An examination of sense of control in late midlife. Journals of Gerontology Series B: Psychological and Social Sciences.*

2014 LIVES Life Course Winter School, selected attendee, les Diablerets, Switzerland

2013 Gerontological Society of America Behavioral and Social Sciences Pre-Dissertation Award: *Relationship processes within the social convoy: Structure, function, and social goals. Journals of Gerontology Series B: Psychological and Social Sciences.*

2013 Society for Personality and Social Psychology Data Blitz Presentation Selection: *Reaching out to others in the context of daily interpersonal experiences and self*

2013 Nationally Elected Chair, Communications and Technology. Emerging Scholars and Professional Organization (ESPO), *Gerontological Society of America,*

2013 Graduate Student Travel Award, Graduate School, Oregon State University *Reaching out to others in the context of daily interpersonal experiences and self*

2011 & 2012 Integrative Graduate Education Research Traineeship (IGERT): LIFE in an Aging Society, *National Science Foundation*

2011 Oregon Retired Educators Association Memorial Trust Fund Scholarship

2011 College of Health and Human Sciences Art Koski Memorial Travel Award, *Oregon State University*

2010 & 2011 College of Health and Human Sciences Josephine Zimmerman Gerontology Fellowship, *Oregon State University*

2010 Department of Human Development and Family Sciences Sonin Fellowship, *Oregon State University*

ORGANIZATIONAL ACTIVITIES

Gerontological Society of America, Behavioral and Social Sciences (BSS) section,

American Psychology Association

Society for the Study of Human Development

COMMUNITY SERVICE and VOLUNTEER ACTIVITIES

2021 Aging Care Connections – Guest Speaker – Balance Smarts Fall Prevention Series

2020 Clark Lindsay Retirement Village – Guest Speaker - Agism

2013-2015 Elected GSA ESPO Technology and Communications Chair.
2013; 2011 Volunteer: Oregon State University Gerontology Conference
2012; 2011 Center for Healthy Aging Research, Symposium Coordination
2010, 2011 Summer Institute of Research Methods Volunteer
2010 Mentor, Center for Healthy Aging Research LIFE Scholar

SERVICE TO THE UNIVERSITY OF ILLINOIS

Fall 2021- Education policy committee
Spring 2020 – Office of Information, Security, and Technology advisory group member
Spring 2019 Search Committee: Assistant Teaching Professor in Health Technology
Fall 2019 Search Committee: Associate/Full Professor in Health Technology
Fall 2019 Search Committee: Assistant Professor of Biostatistics
Fall/Spring 2018/2019 Abstract reviewer. Graduate Student Travel Awards
Spring 2018 – MPH admissions committee
Spring 2018 – CHLH admissions committee
Spring 2018 MPH accreditation response committee
Fall 2018 – Health Technology Area of Study coordinator

JOURNAL REVIEWS

Editorial Board Member. *Psychology and Aging*

Ad hoc reviewer: *Canadian Journal of Ageing; Frontiers in Psychology; Gerontology; Journal of Aging and Physical Activity; Journal of Social and Personal Relationships; PLOS One; Psychology of Sport & Exercise; Research on Aging; Research on Human Development; The Gerontologist; The Journals of Gerontology: Social Sciences; Psychology and Aging; Aging and Physical Activity; British Journal of Health Psychology*

2012-current annual meeting of the Gerontological Society of America, Abstract reviewer
