

**CURRICULUM VITA**

(UPDATED 04-16-2023)

**STEVEN J. PETRUZZELLO, Ph.D.****Office**

Department of Health and Kinesiology  
University of Illinois at Urbana-Champaign  
231 Louise Freer Hall  
906 South Goodwin Avenue  
Urbana, IL 61801

E-mail Address: [petruzze@illinois.edu](mailto:petruzze@illinois.edu)

Phone: 217-244-7325

Fax: 217-244-7322

Faculty Website: <http://kch.illinois.edu/faculty>

Lab Website:

<https://publish.illinois.edu/exppl-kch-ahs/>**Education**

Ph.D., Exercise Science - Psychology of Exercise and Sport, Arizona State University, Tempe, Arizona (1991)

Ph.D. Thesis: *An Examination of Proposed Physiological and Psychological Mechanisms for Exercise-Related Reductions in Anxiety*

M.S., Physical Education, Arizona State University, Tempe, Arizona (1986)

M.S. Thesis: *The Effects of Feedback on Female Self-Confidence*

B.A., Psychology (Biology minor), University of Wisconsin - Eau Claire, Eau Claire, Wisconsin (1984)

**Academic Appointments**

Professor, Department of Health and Kinesiology University of Illinois at Urbana-Champaign, Urbana, IL (2017-present); Department of Psychology (2002-2015); Member, Graduate Faculty; Director, Exercise Psychophysiology Laboratory.

Associate Head for Graduate Studies, Department of Health and Kinesiology, University of Illinois at Urbana-Champaign, Urbana, IL (2011-present)

Affiliate Faculty of the University of Illinois Neuroscience Program, 2019-present)

Research Scientist, Illinois Fire Service Institute, University of Illinois at Urbana-Champaign, 2005-present.

Associate Professor, Department of Kinesiology &

Community Health, University of Illinois at Urbana-Champaign, Urbana, IL (1997-2017).

Assistant Professor, Kinesiology University of Illinois at Urbana-Champaign, Urbana, IL (1991-1997).

**Research Activities****Publications****a. Books Authored or Co-Authored (in print or accepted)**

- Lox, C.L., Martin, K.A., & **Petruzzello, S.J.** (2003). *The psychology of exercise: Integrating theory and practice*. Scottsdale, AZ: Holcomb-Hathaway.
- Lox, C.L., Martin Ginis, K.A., & **Petruzzello, S.J.** (2006). *The psychology of exercise: Integrating theory and practice* (2<sup>nd</sup> ed.). Scottsdale, AZ: Holcomb-Hathaway.
- Lox, C.L., Martin Ginis, K.A., & **Petruzzello, S.J.** (2010). *The psychology of exercise: Integrating theory and practice* (3<sup>rd</sup> ed.). Scottsdale, AZ: Holcomb-Hathaway.
- Lox, C.L., Martin Ginis, K.A., & **Petruzzello, S.J.** (2011). *The psychology of exercise: Integrating theory and practice, 3<sup>rd</sup> edition*. Authorized Chinese translation from English language edition. Taiwan: Farternng Culture Co. Ltd.

8. Box, A., North, J.R., Wisniewski, K.S., & **Petruzzello, S.J.** "Perceived versus physiological exertion during light-, moderate-, and high-intensity continuous exercise: An affective perspective." *Medicine & Science in Sports & Exercise*.

9. Box, A.G., McKenna, C.F., Burd, N.A., & **Petruzzello, S.J.** "Trait or trainable: Resistance training to strengthen emotional stability facets." *Psychology of Sport & Exercise*.

#### j.1. Presentations - Meetings (not included in Abstracts)

1. **Petruzzello, S.J.** "Behavioral manifestations of fear of success motivation: A test of predictive validity." Presented at the annual meeting of the North American Society for the Psychology of Sport and Physical Activity, Scottsdale, Arizona, June 1986.
2. **Petruzzello, S.J.**, & Corbin, C.B. "Effects of performance feedback on female self-confidence." Presented at the annual meeting of the North American Society for the Psychology of Sport and Physical Activity, Vancouver, British Columbia, Canada, June 1987.
3. **Petruzzello, S.J.**, Larish, D.D., Crews, D.J., Nahom, A., & Ford, C. "Interlimb coordination in the aged." Presented at the annual meeting of the North American Society for the Psychology of Sport and Physical Activity, Vancouver, British Columbia, Canada, June 1987.
4. Rothstein, D., Larish, D., **Petruzzello, S.J.**, Crews, D., & Nahom, A. "Bimanual coordination in the healthy old." Presented at the annual meeting of the Gerontological Society of America, Minneapolis, Minnesota, November 1989.
5. Kubitz, K.A., Landers, D.M., Salazar, W., & **Petruzzello, S.J.** "The effects of exercise on slow wave sleep (SWS)." Presented at the annual meeting of the American Alliance for Health, Physical Education, Recreation and Dance (AAHPERD), Boston, Massachusetts, April 1989.
6. Landers, D.M., Crews, D.J., Han, M., Kubitz, K.A., **Petruzzello, S.J.**, & Salazar, W. "Concentrating effectively for performance: Studies on the arousal-attention set." Paper presented for the C.H. McCloy Lecture at the annual meeting of the American Alliance for Health, Physical Education, Recreation, and Dance (AAHPERD), New Orleans, Louisiana, April 1990.
7. **Petruzzello, S.J.**, & Landers, D.M. "Exercise and anxiety reduction: Are changes mediated by the central nervous system?" Paper presented in Division 47 (Exercise and Sport Psychology) at the annual meeting of the

- American Psychological Association, San Francisco, California, August 1991.
8. **Petruzzello, S.J.**, & O'Connor, P.J. "Psychological responses to maximal exercise." Paper presented at the annual meeting of the North American Society for the Psychology of Sport and Physical Activity, Asilomar, California, June 1991.
  9. Salazar, W., Landers, D.M., **Petruzzello, S.J.**, & Kubitz, K.A. "Effects of exercise on intellectual functioning: A meta-analysis." Paper presented at the annual meeting of the North American Society for the Psychology of Sport and Physical Activity, Asilomar, California, June 1991.
  10. **Petruzzello, S.J.**, & Landers, D.M. "On the duration of exercise needed for affective change." Paper presented at the annual meeting of the North American Society for the Psychology of Sport and Physical Activity, Pittsburgh, Pennsylvania, June 1992.
  11. Treasure, D.C., **Petruzzello, S.J.**, Lox, C.L., & Taylor, R. "The effects of exercise on mental health in a middle and old aged clinical population." Paper presented at the Midwest Sport and Exercise Psychology Symposium, East Lansing, Michigan, February 1994.
  12. Hatfield, B., Dustman, R., Horn, T., McAuley, E., **Petruzzello, S.** "Issues in exercise psychology." Panel discussion at the annual meeting of the North American Society for the Psychology of Sport and Physical Activity, Clearwater Beach, Florida, June 1994.
  13. **Petruzzello, S.J.** & Sliva, C.D. "Brain activation, exercise, and affect." Paper presented at the annual meeting of the American College of Sports Medicine, Midwest Chapter, St. Charles, Illinois, October 1995.
  14. **Petruzzello, S.J.** "Physical activity, brain activation, and mental health." Paper presented at the annual meeting of the American College of Sports Medicine as part of a symposium titled "Affective and Cognitive Concomitants of Physical Activity: Windows into Brain Function through Psychophysiology," Cincinnati, Ohio, May 1996.
  15. Hall, E.E., & **Petruzzello, S.J.** "Brain activation and mental health as a function of physical activity in older adults." Paper presented at the annual meeting of the American College of Sports Medicine, Midwest Chapter, St. Charles, Illinois, October 1996.
  16. **Petruzzello, S.J.** "Physical activity, brain activation, and mental health." Paper presented at the annual meeting of the American College of Sports Medicine, Midwest Chapter, as part of a symposium titled "Psychological Concomitants of Exercise: Perspectives and Paradigms." St. Charles, Illinois, October 1996.
  17. **Petruzzello, S.J.** "Electrocortical activity during and following exercise." Tutorial Lecture presented at the annual meeting of the American College of Sports Medicine, Denver, Colorado, May 1997.
  18. Hall, E.E., Ekkekakis, P., & **Petruzzello, S.J.** "Resting frontal asymmetry as a biological marker of affective responsivity to acute exercise." Paper presented at the annual meeting of the American College of Sports Medicine, Midwest Chapter, South Bend, Indiana, October 1997.
  19. **Petruzzello, S.J.** "An examination of affective responses to exercise: Perspectives from affective neuroscience." Paper presented at the annual meeting of the American College of Sports Medicine as part of a symposium titled "Mind-Body Perspectives on Exercise and Mental Health," Indianapolis, Indiana, May/June 2000.
  20. Hillman, C., Snook, E., Mahlow, P., Haufler, A., Spalding, T., **Petruzzello, S.**, & Hatfield, B. "Physical activity, EEG frontal asymmetry, and affect in elderly adults". Paper presented at the annual meeting of the Society for Psychophysiological Research, October, 2001.
  21. Hall, E.E., Ekkekakis, P., & **Petruzzello, S.J.** "Influence of the big 5 personality factors on affective responses to exercise at 3 different exercise intensities." Paper presented at the Cooper Institute Conference Series on "Physical Activity and Mental Health: A Multidisciplinary Approach," Dallas, Texas, October 2003.
  22. Snook, E.M., **Petruzzello, S.J.**, Gliottoni, R.C., & Motl, R.W. "Effect of acute cycling exercise on anxiety and mood among individuals with multiple sclerosis." Paper presented at the annual meeting of the Society for Behavioral Medicine, San Diego, California, March 2008.
  23. Pilutti, L.A., Greenlee, T. Motl, R.W., Nickrent, M., & **Petruzzello, S.J.** "Effects of exercise training on fatigue In Multiple Sclerosis: A meta-analysis." Paper presented at the annual meeting of the Consortium of Multiple Sclerosis Centers (CMSC) and the Fifth Cooperative Meeting with Americas Committee for Treatment and Research in

- Multiple Sclerosis (ACTRIMS), Orlando, Florida, May/June 2013.
24. Ensari, I., Greenlee, T.A., Motl, R.W., & **Petruzzello, S.J.** "The impact of acute exercise on state anxiety: Results of a meta-analysis." Paper presented at the 36<sup>th</sup> annual meeting of the Society for Behavioral Medicine, San Antonio, Texas, April 2015.
  25. Poh, P.Y.S., Romero, S.A., **Petruzzello, S.J.**, Convertino, V.A., & Crandall, C.G. (2015). Hemodynamic responses to mild warming during simulated hemorrhage. Paper presented at the annual meeting of Experimental Biology, Boston, Massachusetts, March/April 2015.
  26. Poh, P.Y.S., Gagnon, D., Romero, S.A., **Petruzzello, S.J.**, Convertino, V.A., & Crandall, C.G. (2015). Whole-body warming during a simulated hemorrhagic insult compromises arterial blood pressure but not cerebral perfusion. Paper submitted for presentation at the annual Military Health System Research Symposium, Fort Lauderdale, Florida, August 2015.
  27. **Petruzzello, S.J.** (2015). Personality and physical activity: Practical application (& some theoretical links). Paper presented at the annual meeting of the ACSM Annual Meeting, World Congress on Exercise is Medicine and World Congress on the Basic Science of Exercise Fatigue as part of a tutorial lecture, San Diego, California, May 2015.
  28. Box, A., Feito, Y., Brown, C. & **Petruzzello, S.J.** (2017). Examination of personality related to individuals' reported primary mode of exercise. Paper presented at the annual meeting of the Midwest ACSM, Grand Rapids, Michigan, November 2017.
  29. Greene, D.R., & **Petruzzello, S.J.** (2018). Acute exercise to lift affective states in individuals living with PTSD. Paper presented at the annual meeting of the Southeastern ACSM, Chattanooga, Tennessee, February 2018.
  30. Greene, D.R., & **Petruzzello, S.J.** (2019). Individual differences predict high intensity interval and moderate intensity continuous exercise enjoyment. Paper presented at the annual meeting of the Southeastern ACSM, Greenville, South Carolina, February 2019.
  31. Box, A.G., & **Petruzzello, S.J.** (2019). Mental health in first responders and military personnel: Is physical activity a viable option? Paper presented at the annual meeting of the Southeastern ACSM, Greenville, South Carolina, February 2019.
  32. **Petruzzello, S.J.**, Feito, Y., & Box, A.G. (2019). High-intensity functional training: What we know, how we know it, and where we should go next. Symposium presentation at the annual meeting of the American College of Sports Medicine, Midwest Chapter, Oak Brook, Illinois, November 2019.
  33. Cohen, J., Rogers, W.A., **Petruzzello, S.J.**, Trinh, L., & Mullen, S.P. (2020). Feasibility and efficacy of aerobic and relaxation training for improving fatigue in breast cancer survivors following chemotherapy: A pilot randomized controlled trial. Paper presented at the 41<sup>st</sup> annual meeting of the Society for Behavioral Medicine, San Francisco, California, April 2020.
  34. Cohen, J.D., Rogers, W.A., **Petruzzello, S.**, Trinh, L., & Mullen, S.P. (2020). Effects of relaxation training and aerobic cycling on executive functioning among breast cancer survivors. Paper presented at the 44<sup>th</sup> annual meeting of the American Society of Preventive Oncology, Tucson, Arizona, March 2020.
  35. Box, A.G., North, J.R., & **Petruzzello, S.J.** (2022). Who we are and what we do: An exploration of individual differences for exercise behavior. Paper presented at the annual meeting of the Southeastern ACSM, Greenville, South Carolina, February 2022.
  36. Pebole, M.M., Singleton, C.R., Hall, K.S., **Petruzzello, S.J.**, Alston, R.J., & Gobin, R.L. (2022). Relationships between self-reported physical activity and PTSD among men and women survivors of sexual violence. Paper presented at the 38<sup>th</sup> annual meeting of the International Society of Traumatic Stress Studies, Atlanta, Georgia, November 2022.
  37. Pebole, M.M., Singleton, C.R., Hall, K.S., **Petruzzello, S.J.**, Alston, R., & Gobin, R.L. (2022). Perceived benefits and barriers to exercise among women survivors of sexual violence. Paper presented at the annual meeting of the New England chapter of the ACSM, Providence, Rhode Island, October 2022.
  38. Markowitz, E., Buczkowski, J., Box, A., & **Petruzzello, S.J.** (2022). An investigation of brain activation and affect during acute exercise. Paper presented at the 2022 Undergraduate Research Symposium, Urbana, Illinois, April 2022.
  39. Szamocki, M., North, J., & **Petruzzello, S.J.** (2023). More tactical experience - greater resilience? Paper presented at the 2023 Undergraduate Research Symposium, Urbana, Illinois, April 2023.

40. Markowitz, E., Keck, A., North, J.R., Adamek, J.F., & **Petruzzello, S.J.** (2023). An investigation of personality, physical activity, and heart rate variability. Paper presented at the 2023 Undergraduate Research Symposium, Urbana, Illinois, April 2023.

## j.2. Invited Presentations - International Conferences

1. **Petruzzello, S.J.** "From hearts to heads: If exercise makes us feel better, why don't we stick with it?" Presented at the Cooper Institute Conference Series "Physical Activity and Mental Health: A Multidisciplinary Approach", Dallas, Texas, October 2003.
2. **Petruzzello, S.J.** "Physical activity and cognitive processes: The influence of exercise on neural and behavioral indices of cognitive function." Presented at the 2<sup>nd</sup> National Congress of the Colombian Psychological Association/1<sup>st</sup> International Congress of the Colombian Psychological Association & Association of Colombian Faculty of Psychology, Medellin, Colombia, August, 2009.
3. **Petruzzello, S.J.** "Individual differences relative to exercise intensity tolerances (& preferences)." Presented at the 2<sup>nd</sup> National Congress of the Colombian Psychological Association/1<sup>st</sup> International Congress of the Colombian Psychological Association & Association of Colombian Faculty of Psychology, Medellin, Colombia, August, 2009.
4. **Petruzzello, S.J.** "The role of exercise in neuroplasticity: Intervention to manage stress and promote well-being"; Co-Chair/Discussant of the Highlighted Symposium. Presented at the American College of Sports Medicine Annual Meeting, World Congress on Exercise is Medicine and World Congress on the Basic Science of Exercise and the Brain, Denver, Colorado, May/June 2017.
5. **Petruzzello, S.J.** "Physical activity and mental health: Evidence from a psychophysiological perspective." Presented at the 6<sup>th</sup> International Symposium of Advanced Topics on Exercise Physiology, Virtual Conference hosted by the Faculty of Sports Ensenada Campus from the Autonomous University of Baja California, Mexico, October 28, 2022.

## j.2. Invited Presentations - National Conferences

1. **Petruzzello, S.J.** "My long and winding road." Presented at the 89<sup>th</sup> Annual Meeting of the National Academy of Kinesiology, Bellevue, Washington, September 2019.

2. **Petruzzello, S.J.** "The kids are alright - right? Physical activity and mental health in college students." Presented at the Annual Meeting of the American Kinesiology Association, Tampa, Florida, January 2020.
3. **Petruzzello, S.J.** "Physical activity and mental health." General Session Keynote Lecture, 2022 Health & Physical Literacy Summit, Birmingham, AL, February 14, 2022.

## j.3. Presentations - International Conferences

1. **Petruzzello, S.J.**, Landers, D.M., Salazar, W., Crews, D.J., Kubitz, K.A., & Han, M.W. "Brain wave biofeedback to improve archery performance." Presented at the First International Olympic Committee World Congress on Sport Sciences, Colorado Springs, Colorado, October/ November 1989.
2. Salazar, W., Landers, D.M., **Petruzzello, S.J.**, Kubitz, K.A., Crews, D.J., & Han, M.W. "The relationship of electrical brainwave activity and performance in elite archers." Presented at the First International Olympic Committee World Congress on Sport Sciences, Colorado Springs, Colorado, October/November 1989.
3. Smith, D.L., **Petruzzello, S.J.**, Kramer, J.M., & Misner, J.E. "Physiological and psychological responses of firefighters to training drills in a thermal environment." Presented at the XXXII<sup>nd</sup> International Congress of Physiological Sciences, Glasgow, Scotland, August 1993.
4. Smith, D.L., **Petruzzello, S.J.**, Kramer, J.M., Warner, S.E., Bone, B., & Misner, J.E. "Estimation of myocardial workload during treadmill exercise in different ensembles of firefighting turnout gear." Presented at the 6<sup>th</sup> International Conference on Environmental Ergonomics, Quebec, Canada, September 1994.
5. Ekkekakis, P., Kavouras, S.A., Casa, D.J., Herrera, J.A., Armstrong, L.E., Maresh, C.M., & **Petruzzello, S.J.** "Affective responses to a bout of exhaustive exercise in the heat in dehydrated and rehydrated states: In search of physiological correlates." Presented at the IX World Congress of Sport Psychology, Netanya, Israel, June 1997.
6. Smith, D.L., Dyer, K., & **Petruzzello, S.J.** "Blood chemistry and immune cell changes during one-week of intensive firefighting training." Presented at the "First Integrated Symposium on the Physiology and Pharmacology of Thermal Biology and Temperature Regulation," Rhodes, Greece,

October 2004.

7. Hall, E.E., Ekkekakis, P. & **Petruzzello, S.J.** "Is the role of cognitive factors in exercise responses intensity-dependent? Extending the dual-mode model to perceived exertion." Presented at the International Society of Sport Psychology 11th World Congress of Sport Psychology," Sydney, Australia, August 2005.
  8. Tabaczynski, A., Sabiston, C.M., Santa Mina, D., **Petruzzello, S.J.**, & Trinh, L. (2019). Affective Responses to High-Intensity Interval Training and Moderate-Intensity Continuous Exercise in Overweight and Obese Endometrial Cancer Survivors. Paper presented at the Eastern Canada Sport and Exercise Psychology Symposium (ECSEPS), Toronto, Canada, March 2019.
  9. Tabaczynski, A., Sabiston, C.M., Santa Mina, D., **Petruzzello, S.J.**, & Trinh, L. (2019). Affective Responses to High-Intensity Interval Training and Moderate-Intensity Continuous Exercise in Overweight and Obese Gynecologic Cancer Survivors. Paper presented at the International Psycho-Oncology Society (IPOS), Alberta, Canada, September 2019.
  10. Tabaczynski, A., Sabiston, C.M., Santa Mina, D., **Petruzzello, S.J.**, & Trinh, L. (2020). Affective Responses to High-Intensity Interval Exercise and Moderate-Intensity Continuous Exercise in Female Cancer Survivors. Paper presented at the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), Auckland, New Zealand, June 2020.
  11. Tabaczynski, A., Sabiston, C.M., Santa Mina, D., **Petruzzello, S.J.**, & Trinh, L. (2020). Attitudes Towards High-Intensity Interval Exercise and Moderate-Intensity Continuous Exercise in Female Cancer Survivors. Paper presented at the Canadian Society for Psychomotor Learning and Sport Psychology (SCAPPS), Montreal, Canada, October 2022.
- j.4. Invited Research Presentations - Other**
1. **Petruzzello, S.J.** "Exercise-related anxiety reduction: Is there a mediational role for the CNS?" Presented at the Department of Psychology Cognitive Psychophysiology Seminar, University of Illinois at Urbana-Champaign, Illinois, November 1991.
  2. **Petruzzello, S.J.**, & McAuley, E. "Exercise and psychological health." Presented at the CIC Big 10 Body of Knowledge Symposium: Capstone Knowledge in Kinesiology, Ann Arbor, Michigan, November 1992.
  3. **Petruzzello, S.J.** "Exercise and the brain: Are changes in brain activation related to changes in mood?" Presented at the Department of Kinesiology Colloquium, University of Illinois at Urbana-Champaign, Urbana, Illinois, October 1992.
  4. **Petruzzello, S.J.** "Selected psychobiological responses of firefighters during physical activity." Presented at the Department of Kinesiology Colloquium, University of Illinois at Urbana-Champaign, Urbana, Illinois, October 1993.
  5. **Petruzzello, S.J.** "Resting frontal brain asymmetry, affect, and exercise." Presented at the University of Wisconsin-Eau Claire Department of Psychology Alumni Symposium, Eau Claire, Wisconsin, October 1993.
  6. **Petruzzello, S.J.**, & Heller, W. "Methodological issues in measurement and interpretation of EEG asymmetries." Presented at the Department of Psychology Psychophysiology Training Grant Seminar, University of Illinois at Urbana-Champaign, April 1994.
  7. **Petruzzello, S.J.** "Exercise, affect, and the brain: Can brain activation provide a window for how exercise influences our emotions?" Presented at the Department of Kinesiology Biodynamics Seminar, University of Illinois at Urbana-Champaign, January 1995.
  8. **Petruzzello, S.J.** "Exercise psychophysiology." Presented at the Department of Psychology Psychophysiology Training Grant Seminar, University of Illinois at Urbana-Champaign, April 1995.
  9. **Petruzzello, S.J.** "Brain asymmetry, affect, and exercise." Presented at the Department of Exercise Science and Physical Education Exercise Science Seminar, Arizona State University, Tempe, AZ, April 1996.
  10. **Petruzzello, S.J.** "Physical activity, brain activation, and mental health: A review of recent research and a proposal." Presented at the Department of Kinesiology Biodynamics Seminar, University of Illinois at Urbana-Champaign, April 1996.
  11. **Petruzzello, S.J.** "Firefighter heat stress research at the University of Illinois." Presented at the 53<sup>rd</sup> Annual Conference of the Illinois Association of Fire Protection Districts, Decatur, IL, June 1996.

12. **Petruzzello, S.J.** & Ekkekakis, P. "The startle reflex paradigm in exercise psychophysiology." Presented at the Department of Psychology Psychophysiology Training Grant Seminar, University of Illinois at Urbana-Champaign, April 1998.
  13. **Petruzzello, S.J.** "An examination of affective responses to exercise: Perspectives from affective neuroscience." Keynote lecture presented at the annual meeting of the Midwest Sport and Exercise Psychology Symposium, West Lafayette, Indiana, February 2001.
  14. **Petruzzello, S.J.** "Introduction to symposium." Invited and presented as part of symposium titled "2001: A Brain Odyssey – Methods of Neuroscience Research in Exercise Science" at the annual meeting of the American College of Sports Medicine, Baltimore, Maryland, May/June 2001.
  15. **Petruzzello, S.J.** "Exercise, affect, and the brain: Perspectives from affective neuroscience." Invited Lecture presented at the College of Medicine at Urbana-Champaign, Community Medical School, "At the Forum at Carle", April 2002.
  16. **Petruzzello, S.J.** "Physical Activity and emotion: EEG Studies." Invited and presented as part of mini-symposium titled "Physical Activity and Emotion" at the annual meeting of the American College of Sports Medicine, Nashville, Tennessee, June 2005.
  17. **Petruzzello, S.J.** "Individual differences relative to exercise intensity preferences and tolerances." Presented at the Department of Kinesiology & Community Health Department-wide Seminar/Colloquium Series, University of Illinois at Urbana-Champaign, Urbana, Illinois, December 2009.
  18. **Petruzzello, S.J.** "The impact of exercise on mental health: Rationale and latest discoveries." Presented as TechnoGym Talks: The Experts' Perspective, April 28, 2021.
  19. **Petruzzello, S.J.** "The impact of exercise on mental health." Presentation as part of The Class Foundation Community Talk: The Impacts of Exercise on Mental Health, September 10, 2021.
  20. **Petruzzello, S.J.** "The kids are alright - right? Physical activity and mental health in college students." Presented at the Department of Kinesiology & Physical Education Graduate Colloquium, Northern Illinois University, DeKalb, IL, October 13, 2021.
  21. **Petruzzello, S.J.** "The impact of physical activity and exercise on mental health." Presentation at the 9<sup>th</sup> annual Penn State Kinesiology Exercise is Medicine on Campus Lecture, Pennsylvania State University, State College, PA, November 4, 2021.
- j.5. Service Presentations**
1. **Petruzzello, S.J.** "Stress and How to Handle It." Presented at the Champaign Unit 4 Teacher In-service, Champaign, IL, February 1993.
  2. **Petruzzello, S.J.** "The Psychological Effects of Exercise and Physical Activity in Older Adults." Presented at the Fitness Center's 55 & Over Muffin Discussion, Champaign, IL, June 1993.
  3. **Petruzzello, S.J.** "Psychological and Physiological Responses of Firefighters to Physical Activity in Various Thermal Environments." Presented at the Illinois Fire Service Institute's Field Staff Meetings, Champaign, IL, January/February 1994.
  4. **Petruzzello, S.J.** "Psychological and Physiological Responses of Firefighters to Physical Activity in Various Thermal Environments." Presented at the Champaign Fire Department Union Meeting, Champaign, IL, February 1994.
  5. **Petruzzello, S.J.** "Incorporating Writing Across the Curriculum Ideas Into a Composition II Course in Kinesiology." Presented at the Writing Across the Curriculum Retreat, Allerton, IL, September 1995.
  6. **Petruzzello, S.J.** "Exercise and Your Mental Health." Presented at the Fitness Center's 55 & Over Muffin Discussion, Champaign, IL, March 1996.
  7. **Petruzzello, S.J.** "Exercise Psychology." Presented in the Department of Kinesiology's KINES 352 "Clinical and Applied Exercise Physiology" course (Professor Maria Lonnett Burgess instructor), Spring 1996 semester (March), Fall 1996 semester (October), Spring 1997 semester (January).
  8. **Petruzzello, S.J.** "Exercise and the Brain." Presented in the Department of Psychology's PSYCH 320 "Principles of Psychophysiology" course (Professor Greg Miller instructor), Spring 1996 semester (April), Spring 1997 semester (March), Spring 1998 semester (March).
  9. **Petruzzello, S.J.** "A Report of the Surgeon

- General: Physical Activity and Health." Presented at a Media Luncheon at the Fitness Center, Champaign, IL, October 11, 1996.
10. **Petruzzello, S.J.** "Never Too Late to Start: Exercise and Feel Great." Presented to the Champaign-Urbana Kiwanis Club, Champaign, IL, November 13, 1997.
  11. **Petruzzello, S.J.** "Mind-Body Perspectives on Exercise and Mental Health." Presented in the Department of Kinesiology's KINES 247 "Introduction to Sport and Exercise Psychology" course (Sarah Buck instructor), Spring 2003 semester (April).
  12. **Petruzzello, S.J.** "Regional EEG, Affect, and Exercise: Perspectives from Affective Neuroscience." Presented in the Department of Psychology's PSYCH 320 "Principles of Psychophysiology" course (Professor Greg Miller instructor), Fall 2003 semester (November).
  13. **Petruzzello, S.J.** "WAC in Kinesiology." Presented at the "Back To WAC: Writing in Diverse Contexts" workshop sponsored by the UIUC Center for Writing Studies, October, 2004.
  14. **Petruzzello, S.J.** "Mental Toughness for Athletes." Presented in the Division of Intercollegiate Athletics Assistant Coach Roundtable, October 12, 2005.
  15. **Petruzzello, S.J.** "Overview of Heat Stress Research at UIUC Fire Service Institute." Presented to delegation from the State Key Laboratory of Fire Science and the University of Science & Technology of China, April 11, 2006.
  16. **Petruzzello, S.J.** "Navigating the Institutional Review Board at UIUC." Presentation to Department of Kinesiology & Community Health graduate students, August 21, 2006.

- Grants (Submitted and funded)**
- September 1991. University of Illinois at Urbana-Champaign Research Board, Principal Investigator: "Exercise and Anxiety Reduction," \$10,000 (funded).
- National Institutes of Health, National Institute on Aging, Co-Investigator: "Exercise, Brain Activation, and Psychological Health," \$286,947 (submitted as part of program project titled "Behavioral Neuroscience, Exercise, and Aging"; not funded).
- National Institutes of Health, National Institute on Aging, Co-Investigator: "Exercise, Aging, and Psychological Function," \$784,725 (not funded).
- October 1993. University of Illinois at Urbana-Champaign Research Board, Principal Investigator: "Physical Activity, Brain Activity, and Psychological Health," \$11,500 (funded).
- University of Illinois at Urbana-Champaign General Education Board, Principal Investigator: "Revising KINES 240 to Meet Composition II Requirements," \$4,171 (Instructional Development Grant, funded).
- September 1994. National Volunteer Fire Council Foundation, Co-Principal Investigator: "The Effects of Firefighting Activities on Decision

- Making Ability and Cardiac Function," \$15,280 (funded).
- National Institutes of Health, National Institute on Aging, Co-Investigator: "Exercise, Aging, and Psychological Function," \$595,970 (funded).
- May 1995. Office of Gerontology and Aging Studies, Principal Investigator: "Exercise, Brain Activation, and Psychological Health in Older Adults," \$500 (funded).
- April 1996. National Institute of Mental Health, Principal Investigator: "Physical Activity, Brain Activation, and Mental Health (MH55513)," \$45,803 (funded).
- National Kidney Foundation of Northeast New York, Co-Investigator: "Incidence of Myoglobinuria and Acute Exertional Rhabdomyolysis Among Firefighters During Training," \$10,000 (not funded).
- January 1996. UIUC Office of Vice President for Academic Affairs, Co-Principal Investigator with D.L. Smith: "A Comparison of Physiological and Psychological Responses to Firefighting Activities in a Light-weight Monofilament Garment and Bunker Gear," \$13,600 (funded).
- July 1996. Institutional National Research Service Award, Program Faculty: "Training in Cognitive Psychophysiology," (E. Donchin, Program Director) \$691,597 (funded).
- UIUC Office of Vice President for Academic Affairs, Co-Principal Investigator with D.L. Smith: "A Comparison of Physiological and Psychological Responses to Firefighting Activities: Intervention Using Rehydration and Carbohydrate Replacement," \$23,173 (funded).
- April 1997. University of Illinois at Urbana-Champaign Research Board, Principal Investigator: "The Dose-Response Relationship in Exercise-Associated Affective Changes," \$9,405 (funded).
- University of Illinois at Urbana-Champaign Educational Technologies Board, Principal Investigator: "WWW-Based Instructional Resources for the Study of the Social and Psychological Aspects of Physical Activity," \$5,856 (not funded).
- National Institutes of Health, National Institute on Aging, Principal Investigator: "Aging, Depression, and Physical Activity," \$76,597 (not funded).
- July 2001. USA Swimming, Principal Investigator: "Early Indicators of Overtraining in Age Group Swimmers," \$16,201 (not funded)
- July 2001. Institutional National Research Service Award, Program Faculty: "Training in Cognitive Psychophysiology," (G. Miller, Program Director) \$1,977,525 (not funded).
- March 2003. University of Illinois, Fire Service Institute, Co-Investigator: "Firefighter and First Responder Safety and Performance," (D.L. Smith, Principal Investigator), \$150,000 (not funded).
- August 2003. Air Force Institute of Operational Health, Principal Investigator: "Heat Stress Study," \$160,157 (not funded).
- December 2003. National Multiple Sclerosis Society, Co-Investigator: "Effect of exercise on the H-reflex among patients with multiple sclerosis: Possible implications for anti-spasticity", (R.W. Motl Principal Investigator), \$43,267 (funded).
- January 2004. Federal Emergency Management Agency, United States Fire Administration, Co-Principal Investigator with D.L. Smith: "Effect of Firefighting on Cardiovascular Function," \$458,329 (not funded).
- February 2004. National Institute of Occupational Safety & Health, Principal Investigator: "FiRES: Firefighters Responses to Environmental Stress," \$1,194,690 (not funded).
- September 2004. Department of Homeland Security, Co-Principal Investigator with Denise Smith: "Investigating the Effects of Firefighting on Body Temperature and Dehydration," \$90,393 (not funded).
- October 2005. Department of Homeland Security, Co-Principal Investigator with Denise Smith: "Physiological, psychological & biomechanical effects of firefighting activities," \$792,083 (not funded).
- April 2006. Neer Research Fund, Principal Investigator: "Effects of an acute bout of exercise on depression, affect and exercise behavior in adults with depression," \$14,997.30 (not funded).
- May 2006. National Institute of Occupational Safety & Health, Co-Project Director/Principal Investigator: "Effect of Firefighting and On-Scene Rehabilitation on Hemostasis (OH009111-01)," \$153,000 (funded).
- January 2007. Department of Homeland Security, Co-Investigator: "Cardiovascular and biomechanical responses to firefighting and PPE(DHS FEMA EMW-2006-FP-02459)", (G. Horn & D. Smith, Co-PIs)," \$900,000 (funded).
- May 2007. Center for Healthy Minds, Co-Principal Investigator. "Minds on Fire: Influence of Fitness and Fatness on Cognition,

- Inflammation and Physical Function in Older Women", (E. Evans, Co-PI), \$20,000 (not funded).
- November 2007. National Institutes of Health Small Business Innovation Research, Consultant, "Portable e-Technology Diet and Physical Activity Tools for Consumers", (D. Kellner, PI), (not funded).
- March 2009. Department of Homeland Security, Co-Principal Investigator: "Effects of Recruit Firefighter Body Composition on Health Risk and Fireground Performance" (G. Horn, D. Smith, Co-PIs), \$516,418 (not funded).
- March 2009. Neer Research Fund, Principal Investigator: "Effects of an acute exercise on depression, affect and exercise behavior in adults with depression," \$14,961.62 (not funded).
- October 2009. Neer Research Fund, Principal Investigator: "Effects of acute exercise on depression, affect and exercise behavior in female adults with depression," \$14,804.49 (not funded).
- December 2009. Center for Health, Aging & Disability Pilot Grant, Principal Investigator: "Depression, Affect and Exercise Behavior: Effects of Acute Exercise in Depressed Women," \$14,804.49 (not funded).
- July 2010. National Multiple Sclerosis Society, Principal Investigator: "Dose dependent anti-fatiguing effects of acute exercise in MS," \$32,452 (not funded).
- May 2011. National Multiple Sclerosis Society, Principal Investigator: "Dose dependent anti-fatiguing effects of acute exercise in MS," (revision, resubmission) \$39,990 (not funded).
- October 2011. Martha Piper Research Fund, Co-Investigator: "A novel, integrative examination of high-intensity interval Training", [M. Jung (U of British Columbia), PI], \$25,000 (not funded).
- January 2012. Raymond and Rosalee Weiss Research Endowment through American College of Sports Medicine, Co-Investigator: "ACHIEVE: Academics, Cognition, & Health Improved Effectively Via Exercise," [T. Mattila, PI], \$1,500 (funded).
- January 2012. Carl V. Gisolfi Memorial Fund through American College of Sports Medicine, Co-Investigator: "Effects of heat acclimation on firefighters," [P. Poh, PI], \$5,000 (not funded).
- October 2012. National Multiple Sclerosis Society, Principal Investigator: "Examination of dose dependent anti-fatiguing effects of acute exercise in MS," \$40,208 (not funded).
- October 2012. National Institute of Occupational Safety & Health, Principal Investigator. "PROJECT ALERT: Attenuating Lapses of Error Recognition in Training," \$410,895 (not funded).
- October 2013. University of Illinois at Urbana-Champaign Research Board, Principal Investigator: "Effects of caffeine and moderate exercise on orthostatic hypotension and cognitive function," RB14096, \$29,925 (not funded).
- March 2014. University of Illinois at Urbana-Champaign Provost 2014 Faculty Retreat Grants, Principal Investigator. "Incorporating technology in the classroom," \$4,000 (not funded).
- September 2014. University of Illinois at Urbana-Champaign Public Engagement Grant, Principal Investigator. "Protect and serve: Partnership for a healthier public safety officer," \$20,000 (not funded).
- October 2015. University of Illinois at Urbana-Champaign Research Board, Principal Investigator: "Working it out: Examination of exercise to combat anxiety symptoms in Veterans with PTSD," RB146077, \$29,665 (not funded).
- November 2015. University of Illinois at Urbana-Champaign Office of the Vice Chancellor for Research, Principal Investigator: "Working it out: Examination of exercise to combat symptoms of depression in Veterans with PTSD," \$30,000 (not funded).
- December 2015. National Collegiate Athletic Association, Principal Investigator: "Season-long student-athlete wellness monitoring: Development of a mobile global well-being barometer," \$46,866 (not funded).
- January 2016. American College of Sports Medicine Foundation Doctoral Student Research Grant, Co-Investigator: "Working it out: Examination of exercise to combat anxiety symptoms in Veterans with PTSD," [D.R. Greene, PI], \$4,750 (not funded).
- April 2016. Carle Illinois Collaborative Research Seed Program, Principal Investigator: "Development of a collaborative platform to support student-athlete physical and mental wellness: development of a well-being barometer system," \$49,550 (not funded).
- March 2018. National Cattlemen's Beef Association, Co-Principal Investigator (N. Burd, N. Khan, Co-PIs): "The role of beef ingestion in

- supporting exercise-derived benefits for the muscle-brain interconnect,” \$74,187 (funded).
- June 2018. American Diabetes Association Pathway Visionary Award, Co-Investigator “Effects of low-volume body weight circuit exercise training on markers of glucose tolerance, inflammation, and health-related fitness in persons with type two diabetes.” [B. Kliszczewicz, PI], \$691,515 (\$55,545 subaward amount) (not funded).
- February 2019. North Dakota Beef Commission, Co-Investigator (N. Burd, PI): “Defining beef and meal frequency as key components of a healthy eating pattern for muscle health and well-being,” \$179,024 (funded).
- March 2019. Military Service Knowledge Collaborative, Principal Investigator: “Into the woods: Nature immersion and mental health,” \$14,902 (not funded).
- October 2019. NIH – Heart, Lung, & Blood Institute (PAR-19-133 – AREA R15), Consultant (Y. Feito, PI): “Promoting enjoyment of high-intensity functional training to reduce cardiometabolic risk factors among African American adults”, \$405,451 (scored, not funded).
- December 2019. Strategic Research Initiative, Co-PI (E. Hsiao-Weckler, S. Nam, G. Krishnan, R. Sowers, M. Hernandez, D. McDonagh, Co-PIs): “Center for Wearable Intelligent Technologies (WIT),” \$75,000 (funded).
- February 2020. NIH – National Institute on Minority Health & Health Disparities (PAR-19-135 – REAP R15), Consultant (Y. Feito, PI): “Promoting enjoyment of high-intensity functional training to reduce cardiometabolic risk factors among Latino/Hispanic adults,” \$404,000 (scored, not funded).
- February 2020. National Science Foundation, Co-PI (M. Hernandez, R. Sowers, Co-PIs): “Human-in-the-loop control of anxiety in virtual community ambulation,” \$597,141 (\$394,405 direct, \$202,736 indirect; not funded).
- June 2020. Federal Emergency Management Agency (FEMA), Consultant (M-A Dyal, PI): “Enhancing resilience in firefighters: An examination and program development of holistic factors contributing to the wellness of the fire service,” \$1,277,477 (not funded).
- October 2021. Strategic Research Initiatives Program, 2021 Phase 2 Funding, Co-PI (E.T. Hsiao-Weckler, G. Krishnan, R.B. Sowers, M.E. Hernandez, D.C. McDonagh, B. Roberts, Co-PIs): “Center for Wearable Intelligent Technologies (WIT),” \$54,150 (funded).
- November 2022. National Science Foundation, Co-I (M. Hernandez, PI): “RADWEAR: Real-time state anxiety detection and modulation using wearables,” \$1,172,368 (\$797,198 direct, \$223,763 indirect; submitted).

#### POST-DOCTORAL COMMITTEE SERVICE

Hughes, D.C. (2006- ). “Physical Activity and Stress in Hispanic Breast Cancer Survivors.” Post-doctoral Fellow, Behavioral Sciences, University of Texas M.D. Anderson Cancer Center. Member of Mentorship Team for ACS Mentored Research Scholar Grant in Applied and Clinical Research and the NCI Mentored Career Development Award to Promote Diversity (K01).

### **Service (Public and University)**

#### **Public and Professional Service**

##### **a. National and Regional Professional Service**

- American College of Sports Medicine (ACSM), member, 1988-present; named Fellow, 1995
- Invited by Program Committee to chair free communication session ("Sport Psychology: Elite Athletes") at 1993 annual meeting of the ACSM, Seattle, WA.
  - Abstract reviewer for the 1994 annual meeting of the ACSM, Indianapolis, IN.
  - Invited by Program Committee to chair free communication session ("Acute Psychological Effects of Exercise") at 1994 annual meeting of the ACSM, Indianapolis, IN.
  - Abstract reviewer for the 1995 annual meeting of the ACSM, Minneapolis, MN.
  - Invited by Program Committee to chair free communication session ("Acute Psychophysiological Responses to Stress") at 1995 annual meeting of the ACSM, Minneapolis, MN.
  - Invited to serve as Area Representative for national meeting abstract review process (area 0900-Psychology).

- Abstract reviewer for the 1996 annual meeting of the ACSM, Cincinnati, OH.
- Organized and chaired symposium ("Affective and Cognitive Concomitants of Physical Activity: Windows Into Brain Function Through Psychophysiology") at the 1996 annual meeting of the ACSM, Cincinnati, OH.
- Invited by Program Committee to chair free communication session ("Psychobiology") at 1998 annual meeting of the ACSM, Orlando, FL.
- Invited by Program Committee to chair free communication session ("Exercise Psychology") at 1999 annual meeting of the ACSM, Seattle, WA.
- Organized and chaired symposium ("Mind-Body Perspectives on Exercise and Mental Health") at the 2000 annual meeting of the ACSM, Indianapolis, IN.
- Invited by Program Committee to chair free communication session ("Psychology: Stress & Pain") at 2002 annual meeting of the ACSM, St. Louis, MO.
- Invited by Program Committee to chair free communication session ("Psychology: Stress Reactivity") at 2004 annual meeting of the ACSM, Indianapolis, IN.
- Invited by Program Committee to chair free communication session ("Physical Activity and Cognition") at 2008 annual meeting of the ACSM, Indianapolis, IN.
- Member of Research Awards Committee, American College of Sports Medicine, 2013-2016, 2017-2019
- Co-Chair of the Psychobiology, Behavior & Neurobiology Interest Group, 2014-2015
- Chair of the Psychobiology, Behavior & Neurobiology Interest Group, 2015-2018

American College of Sports Medicine, Midwest Regional Chapter, member, 1995-present

- Organized and chaired symposium ("Psychological Concomitants of Exercise: Perspectives and Paradigms") at the 1996 annual meeting of the Midwest ACSM, St. Charles, IL.
- Elected to Midwest ACSM Executive Board as Board Member-at-Large, 1997-2000.
- Member of Program Committee for 1997 Midwest ACSM annual meeting in South Bend, IN.
- Member of Program Committee for 1998 Midwest ACSM annual meeting in Cleveland, OH.
- Member of Program Committee for 1999 Midwest ACSM annual meeting in South Bend, IN.

American Kinesiology Association

- Board of Directors, elected, 2021-2024
- Chair, Graduate Education Network, 2020-
  - Organized and co-chaired Pre-Workshop ("Recruitment and Retention of Graduate Students", "Mentoring of Faculty and Graduate

- Students") at the 2021 AKA Leadership Workshop (held virtually due to COVID-19)
- Organized and co-chaired Pre-Workshop ("Mental Health and Well-Being of Graduate Students", "Faculty and Peer Mentoring of Graduate Students") at the 2022 AKA Leadership Workshop (held virtually due to COVID-19)
- Helped organize and co-chaired Pre-Workshop ("Shaping an Inclusive Graduate Program Culture: From Recruitment to Post-Graduation") at the 2023 AKA Leadership Workshop (San Diego, CA)
- Member, Diversity, Equity & Inclusion Committee, 2021-2024

National Academy of Kinesiology, elected member (Fellow #578), 2018-

- Member, Standing Committee on Memorials, 2019-

North American Society for the Psychology of Sport and Physical Activity (NASPSPA), member, 1986-1996

- Program Committee for the 1994 annual meeting of the NASPSPA, Tampa, FL.
- Abstract reviewer for the 1994 annual meeting of the NASPSPA, Tampa, FL.
- Invited by Program Committee to chair free communication session ("Exercise and Sport Psychology") at 1994 annual meeting of the NASPSPA, Tampa, FL.

Society for Psychophysiological Research, member, 1991-present

Association for Psychological Science (formerly American Psychological Society), member, 2002-present

Abstract reviewer for the 1992 annual meeting of the American Psychological Association

Participated in informational tour of Fire Service Institute for Illinois State Legislators; discussed firefighter/first responder research, April 2003

Participated in University of Illinois site visit by United States Department of Homeland Security Under-Secretary for Science & Technology, Dr. Charles McQueary, September 2003

Served as *Exercise Psychology* (pp. 1351-1443) Section Editor for *Lifestyle Medicine* (2<sup>nd</sup> ed.), J. Rippe, editor. Blackwell.

Served as Associate Editor for *APA Handbook of*

*Sport and Exercise Psychology, Volume 2: Exercise Psychology*, M. Anshel, editor. American Psychological Association.

Served as *Exercise Psychology* Section Editor for *Lifestyle Medicine* (3<sup>rd</sup> ed.), J. Rippe, editor. Blackwell.

Consultant for 2018 Physical Activity Guidelines Advisory Committee, Brain Health Subcommittee.

#### **Invitations that I declined**

Program reviewer for a proposed PhD in Human Performance and Movement Science at the University of North Texas, requested by the [Texas Higher Education Coordinating Board](#) (THECB)

#### **b. Grant Reviews**

Grant reviewer for the Canadian Fitness and Lifestyle Research Institute, 1994-

Reviewer for the National Institute on Aging Special Emphasis Panel (R03), November 1998, March 1999, March 2000

Reviewer for United States Department of the Army – Army Research Office, March 2005, December 2008

Reviewer for the American Institute of Biological Sciences (Washington, DC), tasked by the U.S. Army, August 2009, December 2010

Reviewer for the Natural Sciences and Engineering Research Council (NSERC), Canadian Institutes of Health Research (CIHR) 2012 Collaborative Health Research Projects, December 2011

Reviewer for the National Cattlemen's Beef Association (NCBA), October 2019

Reviewer for Jump Applied Research for Community Health through Engineering and Simulation (Jump ARCHES), University of Illinois Health Care Engineering Systems Center, Fall 2020

Reviewer for Campus Research Board, University of Illinois Office of the Vice Chancellor for Research & Innovation, Spring 2023

#### **c. Editorial Responsibilities**

Associate Editor, *Medicine & Science in Sports & Exercise*, 1997-1999

Section Editor, Psychology, *Research Quarterly for Exercise & Sport*, 1996-1998

Editorial Board, *Journal of Sport & Exercise Psychology*, 1997, 2003-

Associate Editor, *Journal of Sport & Exercise Psychology*, 1998-2000

Editor, *Journal of Sport & Exercise Psychology*, 2000-2003

Associate Editor, *Psychology of Sport & Exercise*, 2014-2017

Editorial Board, *Sport, Exercise & Performance Psychology*, 2016

Editorial Board, *Psychology of Sport & Exercise*, 2017-

#### **Invitations that I declined**

Associate editor, Editorial Board for *Frontiers in Psychology, Movement Science & Sport Psychology* specialty section

Editorial Board for *International Journal of Environmental Research & Public Health*

#### **Scientific Reports** **PLOS One**

#### **e. Editorial Consultant**

Reviewer of book manuscripts for Human Kinetics Publishers  
 Reviewer of book manuscript for Fitness Information Technology  
 Reviewer of book manuscript for Oxford University Press  
 Reviewer of book manuscript for Lippincott, Williams & Wilkins, 2002

#### **f. Community Service**

Served as member of Parent Advisory Board for Champaign County McKinley YMCA AquaChiefs swim team, Champaign, IL (1999-2008)  
 Served as member of Education Commission for St. Matthew School, Champaign, IL (1995-2000); Chairman of Commission, 1998-1999 academic year.  
 Served as member of Advisory Council to *The Fitness Center*, Champaign, IL (1992-96)  
 Served 6 month term as member of Athletic Council for St. Matthew School, Champaign, IL (1992)

#### **Administrative Services to the University**

##### **Department of Kinesiology & Community Health**

Human Subjects Review Committee, 1991-1992  
 Graduate Student Travel Grant Review, 1991-1992, 2002-2003  
 Educational Policy Committee, 1992-1994, 2001-2003, 2008-2010, 2011- (ex officio)  
 Advisory Committee, 1994-1997, 1997-2000, 2000-2003, 2012-2018, 2018-2022 (elected; ex officio beginning 2020)  
 Member, Promotion and Tenure Committee, 2002-2003, 2003-2004  
 Area of Study Chair, Social Science of Physical Activity, 1992-1994  
 Ad Hoc Poster Committee for annual Department of Kinesiology Honors & Awards Ceremony, 1994, 1995, 1996, 1997, 1998, 1999, 2000, 2001, 2002 (appointed)  
 Member of Search Committee, Biobehavioral Aspects of Physical Activity position, Spring 1995 (appointed)  
 Member of Technology Center Committee, Spring 1996-

- Ad Hoc Committee for evaluation of Graduate Student Research and Conference Travel grants, Fall 1996, Spring 1997, Fall 1999, Spring 2000, Fall 2008, Spring 2009 (appointed)
- Chair of Search Committee, Physical Activity and Aging position, 1997-1998 (appointed)
- Chair of Search Committee, Psychology of Physical Activity position, 1998-1999 (appointed)
- Member of Search Committee, Teaching Associate in Kinesiology position, 1998-1999 (appointed)
- Departmental Facilities Management Committee, Spring 1999-2000
- Member of Search Committee, Psychology of Physical Activity position, 1999-2000 (appointed)
- Chair of Search Committee, Teaching Associate in Kinesiology position, 2001-2002 (appointed)
- Member of Search Committee, Exercise Psychology Research/Teaching Associate position, 2002-2003 (appointed)
- Conducted Peer Evaluation of Instruction for Mary Carlton, Spring 2003 (appointed)
- Member of Space Committee, 2002-2003, 2003-2004
- Conducted Peer Evaluation of Instruction for Darla Castelli, Spring 2004 (appointed)
- Member of Search Committee, Visiting Academic Advisor in Kinesiology, Fall 2005 (appointed)
- Conducted Peer Evaluation of Instruction for Kim Huey, Spring 2006 (appointed)
- Gave presentation on Human Subjects regulations and requirements to Department of Kinesiology graduate students (requested by Head), Fall 2005, Fall 2006
- Conducted Peer Evaluation of Instruction for Darla Castelli, Fall 2006 (appointed)
- Conducted Peer Evaluation of Instruction for Ellen Evans, Spring 2007 (requested)
- Conducted Peer Evaluation of Instruction for Steven Broglio, Fall 2007/Spring 2008 (appointed)
- Member of Ad-Hoc Campus Reaccreditation Committee, Spring 2008 (appointed)
- Member of Alleged Capricious Grading Committee, Fall 2008 (appointed)
- Coordinator of Biobehavioral Kinesiology area of study (appointed), 2008-2011
- Conducted Peer Evaluation of Instruction for Jacob Sosnoff, Fall 2008/Spring 2009 (appointed)
- Member of Academic Integrity Committee, Summer 2010 (appointed)
- Member of Search Committee, Physical Activity and Health position, Fall 2010 (appointed)
- Conducted Peer Evaluation of Instruction for Steven Broglio, Fall 2010/Spring 2011 (appointed)
- Member of Course Fee Committee, Spring 2011 (appointed)
- Member of Search Committee, Physical Activity and Health position, Fall 2011 (appointed)
- Associate Head for Graduate Studies (appointed), Fall 2011-**
- Graduate Program Advisory Committee, Chair, Fall 2021-**
- Conducted Peer Evaluation of Instruction for Edward Ofori, Fall 2011/Spring 2012 (appointed)
- Member of Search Committee, Exercise Physiology open rank position, Fall 2012 (appointed)
- Member of Search Committee, Falls and Falls Prevention open rank position, Fall 2013 (appointed)
- Conducted Peer Evaluation of Instruction for Justine Kaplan, Fall 2013/Spring 2014 (appointed)
- Conducted Peer Evaluation of Instruction for Nicholas Burd, Fall 2014/Spring 2015 (appointed)
- Conducted Peer Evaluation of Instruction for Citlali Lopez-Ortiz, Fall 2015/Spring 2016 (appointed)
- Chair of Biobehavioral Kinesiology area of study, 2016-2017 (appointed)
- Chair, Exercise Psychology open rank position, Fall 2016/Spring 2017 (appointed)
- Member, Promotion & Tenure Committee, 2017-2019
- Chair, Exercise Psychology Assistant/Associate Professor position, Fall 2017/Spring 2018 (appointed)
- Coordinator of Exercise Psychology area of study (appointed), 2016-2020
- Kinesiology Graduate Student Association, Faculty Advisor, 2017-
- Faculty mentor for Assistant Professor Neha Gothe, appointed
- Conducted Peer Evaluation of Instruction for Laura Rice, 2017 (appointed)
- Faculty mentor for Assistant Professor Dominika Pindus, appointed
- Conducted Peer Evaluation of Instruction for Dominika Pindus, 2019 (appointed)
- Conducted Peer Evaluation of Instruction for Susie Aguiñaga, 2019, 2023 (appointed)
- Conducted Peer Evaluation of Instruction for Sandraluz Lara-Cinisomo, 2020 (appointed)
- Conducted Peer Evaluation of Instruction for Manuel Hernandez, 2020 (appointed)
- Reviewed College of Applied Health Sciences Innovation proposals as member of Advisory Committee, 2021
- Member, Bylaws Revision Committee, 2020-2022 (appointed)
- Member, Strategic Planning Implementation Committee, 2021-2022 (appointed)
- Chair, Biomechanics open rank position, Fall 2021/Spring 2022 (appointed)
- Co-Chair (with Naiman Khan), Brain Health Assistant Professor position, Fall 2022/Spring 2023 (appointed)

Member, Research and Teaching Incentives Subcommittee, Fall 2022 (appointed)

### **College of Applied Health Sciences**

Member of Mary Jane Neer Research Review Committee (appointed by Dean), 1997-1998, 1998-1999

Member of Search Committee, Department Head of Kinesiology, 1999-2000 (appointed by Dean)

Panelist on College of Applied Life Studies NIH R03 grant workshop, requested by Associate Dean Ruth Watkins

Member of Search Committee, Department of Speech & Hearing Sciences assistant professor position, 2000-2001 (appointed by Head)
